

Welcome to Salzburg!

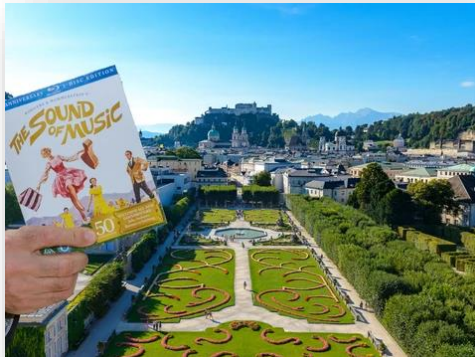

IFFR FLY-IN from 15 to 17 September 2023

Salzburg – stage of the world

Salzburg is unique - in every respect. Once you immerse yourself in the magic of the world-famous Mozart city, you can no longer escape it.

Salzburg is the birthplace of W. A. Mozart and the filming location of "The Sound of Music". The narrow streets and wide squares of the old town are part of the UNESCO World Heritage.

The world-famous Salzburg Festival, the wonderful panorama and numerous temptations make Salzburg an incomparable work of art.

General Information

Airport Salzburg (LOWS)

After the landing:

After landing, please inform the tower that you belong to the IFFR fly-in. The FollowMe will then guide you to a separate area of the apron.

If refueling is required, this should be done immediately upon arrival. Please inform the FollowMe after parking the plane.

The FollowMe will then take you directly to Terminal 1 (not to the General Aviation Terminal), where the "Wolfgang" restaurant is located on the roof terrace. There we meet for a welcome drink and lunch.

Before departure:

In order to speed up the procedure at departure, the airport provides us with a payment form that every pilot can fill out in advance and email to the airport. You can find it in the attachment.

By the way, the airport is kind enough to waive 75% of the handling fee.
